The Miami Beach Youth Golf Program Clinics introduce children ages 6 to 17 to the great game of golf in a fun and relaxing environment. Golf teaches youngsters to persevere in both physical and mental challenges, through hands-on professional training that teaches skill, sportsmanship, and integrity. The Miami Beach Golf Program youth clinics are taught by PGA professionals, primarily at Normandy Shores Golf Club. Through community participation and support of The Billy-Gene Memorial Golf Tournament the instructional program expanded to a 40-week course that now meets twice weekly and funded the purchase of a SNAG Coaching kit. *S.N.A.G.* stands for *Starting New at Golf* and will introduce children to golf in a non-intimidating, fun way and will enable expansion of the youth golf program, providing golf instruction at multiple Miami Beach Parks & Recreational facilities

The BILLY-GENE MEMORIAL GOLF TOURNAMENT

Billy Shockett & Gene Howard were devoted to improving the quality of life in Miami Beach through sports. Both men, attorneys, and athletes, were outstanding community leaders, strongly committed to providing the under-served youth of Miami Beach with the opportunity to learn the game of golf they both loved. Please join us to play or sponsor and bring smiles and life skills to the children of Miami Beach. All players and donations are welcome.

Over the past 9 years the Tournament has raised thousands of dollars and has schooled hundreds of children. Please join us to play or sponsor and raise funds to bring smiles and life skills to the children of Miami Beach. All players and donations are welcome. Keep Gene's and Billy's legacy alive through your support of the Billy-Gene tournament
